ANNIVERSARY MESSAGE

to “Angel Kanchev” University of Ruse

All the academic community of “Vasile Alecsandri” University of Bacău is honoured to extend our warmest congratulations on the 75th anniversary of “Angel Kanchev” University of Ruse, a moment which represents an important milestone of your success and hard work.

We would like to thank you for our great partnership which has led to long-standing achievements and mutual exchanges of knowledge, experience, educational and cultural relations.

We wish our fruitful research and academic collaboration would continue as strong as in the past years and we are looking forward to further deepening our joint activities in the future.

May your University have a long and prosperous life in good health and peace!
