

**Your Excellency Rector,
dear Professor Hristo Beloev!**

I sincerely congratulate you and the collective on the glorious 75th anniversary of the founding of the University of Ruse "Angel Kanchev".

The chronicle of the University of Ruse is unique. Each of its pages is full of collective wins, student dreams and graduate achievements. By joint efforts you solve the most difficult questions of development of the Bulgarian economy, industry, culture and education.

The University of Ruse is well known in the world by its graduates, including prominent scientists, public figures, representative of the authorities, leaders of business, educational and cultural institutions, and high-level specialists.

We are proud of cooperation with University of Ruse. The joint work of our scientists on international research projects, mutual support in educational and scientific activities contribute to the development of Bulgaria and Ukraine, and our scientific developments are recognized by the world scientific community.

The University of Ruse is an example for us in the implementation of best practices for educational, scientific, inventive activities and training of competitive young professionals. We pay attention on your best practices in organizing of blended learning model that provides a quality educational process during a pandemic.

Your personal role, as Rector, scientist and public figure, in the development of the University of Ruse, Bulgarian education and science is confirmed by receiving the title of Academician of the National Academy of Agrarian Sciences of Ukraine.

Taking this opportunity, we wish the collective of the University of Ruse and you personally, dear Rector, the new achievements, implementation of the boldest plans, good health and inspiration!

Sincerely,
Volodymyr Yarovy,
Rector of the National University
of Food Technologies, Kyiv, Ukraine
