

Ruse Research University:

Scientific group:	3.1.4 DIGITAL, LAYERED, ENERGY-ASSISTED INNOVATIVE TECHNOLOGIES AND MODELS
Academic position and scientific degree:	Assoc. Prof., PhD
Name and surname:	Snezhinka Zaharieva
Researcher's category:	R3
Photo:	
Brief biographical information	Date of birth: 15/09/1982 Place of birth: Vratsa 2023 – Elected as Associate Professor at the Department of Electronics, University of Ruse; 2014 – Elected as Chief Assistant Professor at the Department of Electronics, University of Ruse; 2011 – Elected as Assistant Professor at the Department of Electronics, University of Ruse; 2013 – Educational and scientific degree: PhD; Diploma No./date: RU-NS-2013-17 / 13.05.2013; Professional field: 5.2 Electrical Engineering, Electronics and Automation; Specialty: Electronization.
Main scientific achievements:	Author and co-author of more than 100 scientific publications. Scopus: https://www.scopus.com/authid/detail.uri?authorId=57215137458 Google Scholar: https://scholar.google.bg/citations?user=4rqKMI5AAAAJ ORCID: https://orcid.org/0000-0002-1420-9871 Web of Science: https://www.webofscience.com/wos/author/record/ABA-7246-2020 ResearchGate: https://www.researchgate.net/profile/Snezhinka-Zaharieva
Key scientific interests:	Electronic measurement, sensor and IoT-based systems; monitoring and forecasting, processing and analysis of measurement data; application of simulation and interactive methods in engineering education.
